Conservancy District**

REQUEST TO REMOVE
PRESSURE REGULATING VALVE
AND RELEASE

I, _____, property owner of _____,
request that the pressure regulating valve (PRV) be removed from the District's
meter pit.

I understand the potential problems that this action could cause and I hereby assume
any and all liability which could result from this request. I hereby release the
District from any damages to persons or property which could have been prevented
if the pressure regulator had remained.

I also understand that District policy prohibits replacement of the PRV in the
District meter pit. I agree to notify the subsequent owner about this release.
